BAGNO BELLO E CUCINA

Ready-to-use, scented limescale-remover gel, ideal for toilets

REV. 6/20-03-2024

AVAILABLE FORMAT	
Item	Format
180747	ml 750
180748	kg 5

USE

Use the product as it is, by spraying it onto the surfaces to be treated and leaving it to act for as long as it continues fizzing. Then rinse off with fresh water.

PHYSICAL-CHEMICAL CHARACTERISTICS

Chemical classification	Non-ionic/cationic solution
Physical state	Liquid
Solubility in water	In every ratio
Color	Green
pH	1 ± 1
Density	1,115 ± 0,020 g/ml

Refer to the safety data sheet for hazard information and precautions.

USAGE

Acid-based product ideal for removing limescale deposits and stains from tiled, ceramic or laminated plastic surfaces, and from stainless steel, chrome or brass-plated taps and glass surfaces such as shower cabins, sanitary ware, kitchen sinks and glassware in general. Due to its viscosity, the product does not drip but adheres to treated surfaces and exerts its descaling and cleansing action. BAGNO BELLO e CUCINA facilitates drying, thanks to its vigorous water-repellent action, and leaves a pleasant and long-lasting fragrance.

The above information is based on experience, tests and current documentation. In the event of improper use of the product and non-compliance with the necessary precautions, the information provided does not constitute a guarantee and does not entail any legal liability.
