Solubility in water	In any ratio
Color	Straw yellow
pH	12 ± 1
Density	0,975 ± 0,020 g/ml

Refer to the safety data sheet for hazard information and precautions.

USAGE

Product specially intended for professional use in cleaning glass and crystal, without smearing. DETERGENTE M.T. 97 instantly removes all kinds of dirt of organic and inorganic origin, such as nicotine, grease, smog and dust. A single wipe is sufficient for restoring brilliance to treated surfaces making them temporarily repellent to atmospheric dust. The product is highly recommended for cleaning glass surfaces that face outwards in large buildings.

The above information is based on experience, tests and current documentation. In the event of improper use of the product and non-compliance with the necessary precautions, the information provided does not constitute a guarantee and does not entail any legal liability.
