### USAGE

Concentrated and effective, liquid sanitising detergent with a pleasant fragrance, for cleaning all washable surfaces in general. With exceptional cleaning power, the product meets a wide range of cleaning requirements. When diluted as indicated, PAV R90 cleans without leaving any marks and its active scented ingredients release a pleasant, long-lasting fragrance into the air. The product is suitable for the daily cleaning of floors, tiles, taps, showers, sanitary ware, etc. It is advisable to use PAV R90 by itself without adding other products so as to avoid any interaction that could reduce its effectiveness.
